

NO LATER IS NOW BEING SEPTIC FLY; METER IN THE CITY TO CHECK IT

FRIENDLY SCUFFLE ON AIRWAY IS CAUSE OF A DEATH

Alexander F. Harrison is fatally injured after a scuffle on the airway.

FRACTURES BACKBONE NEAR THE SHOULDERS

Although Conscious for Two Days, He Could Not Move Any of His Limbs.

Losing his balance while in a friendly scuffle, Alexander Parquharson fell over the banister and dropped six feet, falling on the lower step in his boarding house on Strathcona road, Friday night, from the results of which he died early this morning.

The deceased was a single man and was a blacksmith by trade, having followed this occupation since coming to Edmonton some time ago. On the night in question while going up stairs he met some friends and they engaged in a friendly scuffle and Parquharson lost his balance and fell over the banister.

A friend came to grab him to save him, but he slipped through his arms and landed on the bottom step with his back, fracturing his spinal column almost at the shoulders.

After the accident he lost all sensation from the shoulder down and although he was conscious practically until his death he could not move any part of his body but his head and shoulders.

As soon as the accident occurred Connolly & McKinley's ambulance was sent for and conveyed the injured man to the Royal Alexandra hospital, where Dr. Laidley attended him.

The X-rays were used to probe the extent of the injuries, and it was found that the cord in the spinal column was severed giving little or no hope for his recovery.

The body was removed to the undertaking parlor of Connolly & McKinley from where the funeral will take place on Wednesday afternoon at 2:30 o'clock.

COMPLETION OF NEW CHATEAU MACDONALD EXPECTED NEXT JULY

It was learned at the office of the Canadian Stewart Company this morning that the interior work in the new Grand Trunk Pacific hotel, Chateau Macdonald, is proceeding at such a rapid rate that the opening of the hotel is practically assured for next Dominion Day, or very shortly thereafter.

The plastering on the first four floors is completed. So soon as this work is finished the interior heating and plumbing are to be installed. Enormous shipments of baths and fixtures are being received from the U.S.A. and these will be installed at an early date.

The Canadian Stewart Company have contracted to finish everything connected with the building of the hotel, including the interior furnishing, which will be done by the Grand Trunk Pacific Construction Co. Ltd. The hotel department of the G.T.P. The contractors at present in charge are confident that they will be able to complete the building over to the furnishing by June. What will then remain to be done is to install the interior heating and plumbing, consequently Edmonton is likely to witness the opening of the hotel in July, despite the winter weather to the effect that it would not be opened until next Christmas.

NEW COUNCIL IS LIKELY TO NAME DEPUTY MAYOR TO ACT FOR YEAR

Mayor Short is at present out of the city and as there has not been a meeting of the council appointed as acting mayor during the absence of the mayor, the council is not probable that there will be another meeting of the present council held this year. The new council will hold their first meeting on Monday evening, January 6, 1914. The members elect will be sworn into office at that date and after taking their seats with the five members whose term of office continues from the last year, the council will see the only business handled at this session will be the appointment of the committees of council. Sometimes this matter is dealt with by a special committee appointed by the whole council.

While the charter provides that the council may appoint a deputy mayor to

JURY SYSTEM IS DYING BECAUSE OF JUST JUDICIARY

President of Ontario Bar Association Says They Have No Favorites.

DOMINION ASSOCIATION NEEDED FOR UNIFORMITY
Regrets That Should Be So Meagrely Compensated for Services.

Toronto, Ont., Dec. 28.—The Ontario Bar association began its annual two days session here this morning. The president, M. H. Ludwig, K.C., in his opening address, pointed out the need of a Dominion Bar Association and the field open to such a body in working for uniformity of laws of the provinces. He stated that it was the intention to form a committee to deal with all matters of interest to the profession brought before it.

The jury system in my opinion is rapidly dying out, this change can be accounted for only because of the firm conviction of the profession that our judges have no favorites, do not make bad law in hard cases and will give judgment according to the right and justice of the case.

It is to be regretted that the salaries of most judges find it difficult to live at their station in life requires. There is a crying need that this province should no longer tolerate the disgrace of an underpaid judge.

He regretted that both political parties should reward party service with a "C" appointment, thus lowering the standard in the opinion of the profession. Arbitrations had become too expensive. They should be heard before an official arbitrator of referee. The right should be given to creditors to compel insolvent debtors to hand over their estates to trustees for the creditors so that there could be no undue preference.

"The number of lawyers practicing in Ontario" remarked Mr. Ludwig, "is 1746. Of these five are women."

CHRISTMAS STORM WRECKS SAILING SHIPS ON ATLANTIC OCEAN

Modell, Ala., Dec. 29.—The Chesapeake, a British schooner, out from Pasaquan, bound for Havana, was wrecked here reported to have been lost in the storm that swept the Gulf of Mexico on Christmas Day. The Griffin, an American schooner, that sailed from Pasaquan on Thursday, has not been heard of since.

The crew of the Chesapeake was believed to have been saved. The schooner George F. Scamell, which was announced in the harbor here this morning by officials, was the only steamer in daily service from Montreal to the Gulf. Its crew was picked up by the steamer Comandante and taken to Gulf Port. The barque Strlar foundered during the storm, but its crew was rescued and taken to Pasaquan.

MELO FORWARD PRESENTED TO THE STATE

Mexico City, Dec. 28.—Mexico has forwarded a protest to its representative at Washington which it is announced will be presented to the state department. The protest is based on the representation made by the Governor of Tampico and the local authorities at Tlaxcala to the department of the interior.

NOTED BEAUTY ASKS SHARE OF RICHES LEFT BY MAN SHE DESERTED

New York, Dec. 28.—Miss Allette Anna de Carver, the famous beauty, who had made his wife shattered his remains by deserting to Europe for him, the "Hossanna beauty," is in New York to push her fight for a dower right in the \$100,000 estate left by Nelson Taylor, who blew out his brains after the beautiful beauty he

NOTED BEAUTY ASKS SHARE OF RICHES LEFT BY MAN SHE DESERTED

KILLS CONSTABLE, FATALITY WOUNDS -MAN AND WOMAN, AND FIVE

Pittsburg, Pa., Dec. 28.—Dooding from tree to tree and firing as he ran, Henry Bokowski, who last night shot and killed Constable Martin Windt and probably fatally wounded two other persons at West Homestead, a suburb, had a posse of 200 deputy sheriffs and citizens at bay on the hills above Monongahela Valley during the early hours of the morning.

The shots were returned, but Bokowski escaped through the woods to a deserted cabin where he hid. He was shot at by a posse of 200 deputy sheriffs and citizens at bay on the hills above Monongahela Valley during the early hours of the morning.

NEW TELEPHONE RATES ARRANGED FOR PRIVATE BRANCH EXCHANGES

From January 1, 1914, there will be a new schedule of rates effective in the telephone department, but this applies only to the private branch exchanges. In the past these have not been well regulated as regards charge, and the representative has for some time been getting them all on one basis. He has now the work about completed, and the new schedule of rates for these private exchanges was approved this morning by the city commissioners.

Trunks, one only, including one automatic phone, 140 per year.
Trunks, two or more, including one automatic phone for each trunk, 220 per year for each trunk.
Extra automatic phones connecting to private branch exchange, wall type \$10 per year, and desk type \$13.
Extra manual phones, wall or desk, 15 per year. Rental of switchboard, less than 10 local lines, cordless type, \$28.50 per annum; 10 to 20 local lines, \$31; 21 to 40 local lines, \$35; 41 to 50

CHINESE SOLDIERS REBOLT 100 MILES FROM BURMA LINE

Three Regiments Shoot Officers and Kill Professors and Students.

SLAY MANY OTHER CITIZENS IN RAID
Declare Independence of Province in the Name of Dr. Sun Yat Sen.

Pekin, Dec. 28.—A revolt of three regiments of the Chinese army under the leadership of General Yang Hu-Pin, was reported today from Taiti in the southwest western province of Yunnan, about 100 miles from the frontier of Burma.

The soldiers on December 8, shot down their officers, killed the army, killed a professor and several students of the Chinese college as well as a number of citizens and then proclaimed the independence of the province in the name of Dr. Sun Yat Sen, former provisional president of China.

No foreigners were killed and the missionaries themselves protected the chapels belonging to the China inland mission, the school attached to was soon filled with wounded and dying. Panic reigned for a fortnight in the city but then a force of loyal troops arrived and stormed and recaptured the place, routing the mutineers.

General Yang Hu-Pin was surprised and turned to death in a house where he was hiding in a neighboring village.

INCREASE PRODUCTION OF COAL THIRTY TO FORTY MILLION TONS

Washington, Dec. 28.—Despite labor disturbances in Colorado, the interferences of Ohio floods and spring and summer droughts, the coal output of the United States in 1913 of between 28 and 30 million tons, as compared with that of 1912.

According to the estimates made by the geological survey there will be a total production of between 46,000,000 and 57,000,000 tons at the end of the present year. The increased output is said to be normal—an index of general industrial activity of the country.

COAL MINING LIKE ALL OTHER INDUSTRIES IN THE OHIO VALLEY STATES WAS SERIOUSLY INTERFERED WITH BY THE FLOODS IN THAT REGION DURING THE SPRING OF 1913 AND PROBABLY FROM FIVE TO 10 MILLION TONS OF COAL WOULD HAVE BEEN ADDED TO THE YEAR'S OUTPUT BUT FOR THE GREAT DISTURBANCE.

Trunks, one only, including one automatic phone, 140 per year.
Trunks, two or more, including one automatic phone for each trunk, 220 per year for each trunk.
Extra automatic phones connecting to private branch exchange, wall type \$10 per year, and desk type \$13.
Extra manual phones, wall or desk, 15 per year. Rental of switchboard, less than 10 local lines, cordless type, \$28.50 per annum; 10 to 20 local lines, \$31; 21 to 40 local lines, \$35; 41 to 50

Twenty Buildings Destroyed in Quick Time Block of Stores and Houses at St. Hubert and Ontario Streets Scene of the Start of the Much-Feared Conflagration.

Montreal, Que., Dec. 29.—Fire broke out here this afternoon in a block of stores and houses at the corner of St. Hubert and Ontario streets. On account of the water famine the fire department was unable to check it. At 2.30 twenty buildings had been destroyed, and the firemen were preparing to use dynamite.

The water famine that has prevailed here since the breaking of the main sewerage pipe on December 27, has given out at first. Of the breakage, that of the 40-foot collapse in the side of the conduct is serious enough, but besides other damage, more or less serious, it now appears that there is a crack in the roof of the pipe which extends for practically 200 feet of its length. The house of a contractor has ordered a thorough inspection of the conduit from one end to the other.

A striking effect of the water famine is that the Angus shops of the Canadian Pacific railway have been compelled to close down, throwing 1,000 men out of employment.

Archbishop Bruch has given instructions that schools in the affected area are to give vacations to their pupils. The schools in the city will be closed today.

The city council has ordered the fullest investigation into the competency of the administration of the water department.

TWO HUNDRED MEN WORKING ON CITY LANE AND STREET

One Hundred Are Put to Work This Morning on the South Side.

MANY MORE GOING TO WORK ON A & G. W.

Travelling Expenses Will Be Advanced to Those Thus Employed.

This morning the street and paving department put over 100 men to work, principally on the south side, to clean up the lanes, and brush out streets in the Martin estate and other subdivisions. This morning a total of 212 had been given employment since Saturday morning. Through the negotiations that have been carried on during the past few days Mayor-elect McNamara has been successful in securing a promise that within a few days the clearing of the right of way of the A. & G. W. will be started. This will provide work for from 250 to 300 more men and when deeper snow comes the number will be increased to over 500. Arrangements have also been made to advance the travelling expenses of the men thus employed and they will be asked to pay back, as soon as they can after receiving wage checks.

CITY COMMISSIONERS GIVE OUT A WARNING

The City of Edmonton is at present faced with the problem of finding work for a large number of unemployed men. The city is scarce, and only a limited number of men can be used. The city feels that it should first care for its bona fide residents in need of employment. There are many city commissioners who have received a paper showing how long they have been resident in the city; and many who have been unemployed for a long time. Therefore, the unemployed of other cities, towns or places outside of Edmonton will be well advised not to try to get into the city with the expectation of receiving employment. This season, as the city commissioners will take steps to look after only the legitimate unemployed of the city, giving preference to those having families living in the city dependent on them.

City Commissioners: A. J. McLEAN, A. G. HARRISON, J. CHAMBERS.

DUNVEGAN RAILWAY CONSTRUCTION MAKING SATISFACTORY PROGRESS

Grading Has Been Done for a Distance of 220 Miles and 130 Miles of Steel Laid—Extensive Orders Given for Rolling Stock—Stations Nearing Completion.

The men who are representing J. D. McArthur in the work of building the Dunvegan railway to the great beyond in the Peace River country by means of the Edmonton and Dunvegan railway are busy men these days. No sooner are they finished with getting the A. & G. W. railway started on its career to the north than they must needs leave on inspecting tours of other work that is further advanced. W. B. Smith, chief engineer of the E. D. and B. C. railway, H. G. Dimsdale, assistant engineer, W. J. Pace the newly-appointed super-

intendent of construction and R. H. Douglas, provincial railway engineer will form a party of inspection which is to leave Edmonton today. The trip will embrace an inspection of the whole E. D. and B. C. road from Edmonton to the Peace River Crossing. The first part of the trip will be over that portion already constructed which brings the end of the steel to Smith and the south bank of the Athabasca river.

This section of the road is already considerably advanced. At the terminal in Edmonton a handsome new station is rapidly approaching completion, while the roundhouse has been practically rebuilt to afford accommodation for twice the number of locomotives as before. Another station has been erected at Westlock and there are good facilities for handling freight at Smith. At this point a pile bridge has already been constructed over the Athabasca, and it will be replaced during the winter by a modern steel truss. From this point surveying has been done as far as mile 250 and everything is ready for the start of the new year. By the end of the year it is confidently expected that the steel will have reached Smoky River.

Construction on the E. D. and B. C. comes very near to establishing a record for speedy work. It is not yet a month since the company began to work on the road and today 130 miles of the road is already in operation, grading has been done to mile 220 and surveys are completed for 310 miles. Practically three stations are completed and the roundhouse at Edmonton is nearly ready. It is already in operation. As to the actual construction of the road, it is already well advanced. The road is already laid. It is doubtful if the railway commissioners will consent to the operation of passenger trains until the road is completed. This work has already begun from the northern end of the steel at Smith, large loads of good ballasting gravel having been found along the river close at hand.

Extensive orders for rolling stock were placed some time ago with the Canadian Car company of Montreal, including the box cars, 40 for the new road, is well known in Edmonton both as a pioneer in railway work into Edmonton and as a contributor to public works under three mayors—Charles May, Major Griesbach, and John A. McArthur. Mr. Pace does not neglect the matter of railroading in the early days of Edmonton is not much account. He was superintendent of construction on the first road that ever invaded the north bank of the Saskatchewan, the old Edmonton, Yukon and Pacific. On this road being absorbed by the C.N.R. Mr. Pace entered the employ of the latter company. He returned to the same road after serving three years as commissioner of public works in Edmonton and became superintendent of construction with headquarters at Winnipeg.

In talking with the reporters about old times in the railway life of Edmonton, Mr. Pace recalled especially the exciting days when the E. Y. and T. sought to link up the city with the C.P.R. on the south side. The C.P.R. had no use for the idea and did not consent until an appeal had been received from the old railway committee of the house of commons, which was the forerunner of the present board of railway commissioners. Even after the order came the C.P.R. placed a freight train across the river where the new switch was to be laid. This so aroused the citizens on the north side of the river that an indignation meeting was called headed by Donald Ross and a few more old timers. A committee was even sent over to try bring about a conciliation between the two roads. In the meanwhile, Mr. Pace who knew that the obstruction would have to be removed in order to allow the regular train for Calgary to pass, got his men together and the men after the passenger train had passed, rushed his men to the spot and laid the switches before the opposing side could do anything to prevent it.

Mr. Pace's last work in railroad construction before assuming his new post with W. J. McArthur interested was in connection with the construction of the C.N.R. main line near the mountains.

TO EASE TIGHT CHEST AND CURE A COLD RUB ON NERVINE

No Remedy Half So Efficient.

"I didn't have to suffer long with a more, wheezy chest. I had a mighty hard time to do it. I took half a teaspoonful of Nervine in hot water and rubbed my neck and chest every half hour during the evening. You would hardly credit the way Nervine eased up that tight chest, enabled me to breathe like a free man, gave me comfort in a few hours."

This is the experience of J. P. Durand, a well known resident of Durand's Carriers. In thousands of other cases Nervine is used every day. If a little child has a sick stomach, just a few drops will suffice. If there is any hoarse disorder or diarrhoea, only a small dose is required. Invariably or outwardly, wherever there is pain or inflammation, Nervine will always relieve quick and cure surest of any remedy known.

DONATIONS MADE FOR UNITED AIDS

Women's Council Issues Letter of Thanks for Christmas Assistance.

COLLECTED SUM OF \$131
Families Given Christmas Cheer Numbered 168, Including 879 Persons.

The following letter has been handed to the press for publication:

To the beloved people of Edmonton: The Women's Council of United Aids wish to thank the wholesale and retail merchants, business men, carriage companies, the press, and those who co-operated with us for donations, and services rendered, and citizens, churches, societies, Sunday school classes and the public school children for their generous contributions in money, clothing, toys and sets of motor cars.

158 families numbered in all 879 persons were given Christmas cheer. The final portion of the evening's pleasure was in the form of a concert, the artists taking part being Mrs. Davies, song; Edgar Williams, violin solo; Mrs. Macfarlane, song; Will Lloyd, comic song; Jeanie Jones, song; Thomas, recitation; Miss Horrocks, song; and a number of ladies and gentlemen had to respond to numerous well they perform. To all those ladies and gentlemen who have so freely given their time and services is the greatest praise due for the wonderful success of the evening's program, refreshments were served, and for a little while everyone had the opportunity of making and renewing acquaintances with the many friends present.

To all those ladies and gentlemen who have so freely given their time and services is the greatest praise due for the wonderful success of the evening's program, refreshments were served, and for a little while everyone had the opportunity of making and renewing acquaintances with the many friends present.

The cash contributions for this year are about \$100 less than the amount received last year, and the donations including our store room on Jasper avenue, the fittings, and the piano, we estimate to be at \$200 greater than last year. Last year we gave just a substantial assistance to eighty-nine families as compared with 168 families this year.

At a great deal had to be purchased for some time ago to see that our fund will be drawn upon heavily, and if there are those who would still like to contribute to our fund, we will not only glad to accept it for the number of families needing assistance is increasing and the need for cases having come to us today.

A complete report of the year's work will be given at the Christmas meeting to be held in January, day of which will be announced in the papers. We again thank the many friends who have helped us in the past, and we trust the coming year will be a prosperous one to them and to those whom we have helped in the past. Yours in gratitude,
WOMEN'S COUNCIL OF UNITED AIDS,
Edmonton, Dec. 27th, 1914.

ESDALE PRESS ISSUES HANDSOME DESCRIPTIVE BOOKLET ON ITS OUTPUT

A very attractive booklet has just been issued by the Esdales Press, Limited, of Ottawa, who have opened up a handsome business plant in Edmonton with the intention of putting in this booklet is a complete description of the work done by the firm and bringing before the public the fact that it is equipped with the latest machinery for printing, embossing and bookbinding. The booklet is illustrated throughout, showing the machinery, the different departments and the staff. The engraving has been done by the McArthur Engraving company of Edmonton.

WELSH CITIZENS ENJOY CHRISTMAS

Largest Gathering of That Celtic Race Ever Held In This City.

SANTA MAKES APPEARANCE
Excellent Program Rendered and Very Pleasant Evening Spent.

Never in the history of the Welsh of Edmonton has such a gathering been held as that which congregated in the Cameron hall last Thursday evening to celebrate Christmas. To the untiring work of many ladies and gentlemen connected with the Welsh church and society was this due. The entertainment was commenced with singing of "O Canada." Mr. David Jones, the well-known singer, taking the solo, the audience joining in the chorus.

Prior to the entrance of Santa Claus, a very excellent miscellaneous program was given by the children, the following taking part: Miss Miriam Williams, Miss Marion Price, Master Emrys Jones, Master Bryn Roberts and Miss Mary Roberts.

"Santa," who was very enthusiastically received, was introduced by Miss Mary Roberts in a very pretty little poem as the chief of the many presents coming some little time, each child having been remembered. "The other people look much interest in observing how pleased the girls were with their dolls and the boys with the various mechanical toys that had been provided for them."

A "jumpy dog" that had been given the society was next raffled for by the children, the lucky winner proving to be Miss Marion Price.

A very interesting presentation was at about this time made to Mrs. Madeline Jones by "Santa," who presented the St. David's society. This lady has for some considerable time acted as a representative to the society, and the officials thought the time an opportune one for recognizing her services. Other gifts of a more or less humorous character were presented to other members of the church and society.

After entering upon the last stage of the evening's program, refreshments were served, and for a little while everyone had the opportunity of making and renewing acquaintances with the many friends present.

The final portion of the evening's pleasure was in the form of a concert, the artists taking part being Mrs. Davies, song; Edgar Williams, violin solo; Mrs. Macfarlane, song; Will Lloyd, comic song; Jeanie Jones, song; Thomas, recitation; Miss Horrocks, song; and a number of ladies and gentlemen had to respond to numerous well they perform. RAMSEY'S JANUARY SALE

The Big Sale Starts Tuesday Morning With Unexampled Price-Cutting

Edmonton's Great Semi-Annual Sale begins Tuesday morning. Twice a year, before taking inventory, we have a great stock-reducing sale. The purpose of these sales is to clear out all goods for which the season is just closing and also to have the stocks as small as possible when taking inventory. Stock taking time is almost here and the winter is pretty well advanced. As a result winter goods must be cleared and stocks reduced to the lowest possible figure. Our 29 windows are filled with sale goods—it will interest you to see them—and please note that the very last windows will show the most sensational bargains. We advise you to view the offers shown in all our windows all the way around to the lane.

35c Toilet Soaps 15c
English Rose and Savon Astrabel Toilet Soaps. Extra fine grade, delicately perfumed soap. Each cake wrapped and packed three cakes to the box. Regular prices 35c and 40c per box. January sale price, Tuesday, per box **15c**

Wonder Values in Embroideries

We're going to tell you something about these embroideries that you wouldn't had out if we wouldn't tell you. The fact of the matter is that we also had to be told or we wouldn't know it. They are secondaries—but we can't understand why, for there are no flaws discernible. At any rate we paid but a small fraction of what they would cost regularly, resulting in the following extraordinary specials to you. All crisp new goods, elegant patterns, remarkable bargains—while they last:
Lot 1—Dainty embroideries, 12 to 14 inches wide, lovely patterns. Values 25c to 35c. The yard **10c**
Lot 2—Corset cover and flouncery embroidery, 18 inches wide—exquisite designs—40c and 50c qualities. The yard **15c**

ATTEMPT TO BURN BRIDGE THWARTED; FUSILADE FOLLOWS

Trouble Occurs on the Topeka and Santa Fe Railroad at Radiant and Rockvale—Former Workers Shoot When Stopped From Making Use of a Can of Oil on Structure.

Trinidad, Colo., Dec. 29.—One man was killed and another fatally injured yesterday, when strikers attacked guards of an Atchison, Topeka, and Santa Fe Railroad bridge, connecting mines at Radiant and Rockvale in the strike district near here.

One guard died from a bullet wound, and the other fell from the bridge. The two men, Ernest Farmer, who was killed, and C. K. Libby, were guards.

Unofficial Restriction Alleged in Universities of This Country.

Montreal, Dec. 29.—That universities of Canada and the United States, while placing no numerical restrictions upon attendance of Jewish students, as was the case in Europe, none the less observed certain unofficial restrictions against such students, was the statement of Mr. Louis Fitz, of Montreal, a graduate of McGill University, at the banquet Saturday evening.

These restrictions, he said, were not officially recognized and were not published abroad, but were still a fact. As a McGill man himself, he felt that there had been a closed door beyond which Jewish students could not pass.

They were not wanted in the Greek letter societies or fratern, and were seldom or never admitted to hearing in the debates at the society meetings. There was no real sympathy for the Jewish student shown by those connected with the university. They were not treated as were others. In order to have any say at all in the affairs of the university they had been compelled to form a society of their own and even this was not recognized by the student body, and was ignored altogether in the last issue of the McGill calendar.

It was, furthermore, very difficult for a Jew to be elected to any office at the college.

These conditions, stated Mr. Fitz, were not confined to any one university, but were fairly common, and young Jew who would obtain advanced education had practically no place to go where he could obtain fair and equitable treatment.

W. W. Jacobs, K.C., president of the Bar De Hirsch, who has been posing the heads of the Canadian Federation, made the announcement that the Jewish Colonization Society of Paris, of which he was a Canadian representative, was shortly to found a Jewish colony in Western Canada, similar to which had already been founded with great success in the Argentine.

A second Canadian colony for Jews in Palestine was decided upon Saturday in the closing hours of the session, and \$5,000 of the \$10,000 necessary for the purchase of land, was subscribed by societies and individuals before the convention rose. This came as a result of the announcement of work being done in the first colony, founded since the 1911 convention. This had been named "Canada," and consisted of 200 acres of land, a large tract in that country, and improved plantations, buildings and complete equipment. An offer to stock the land with the necessary cattle, horses and the like, made by a German society, had been refused, and the money was now ready to do this and maintain the colony as one founded and supported exclusively by Canadians.

It was already peopled with a number of refugees from Kiev, Russia, according to these people a number of places of safety, where they could earn their own livings unobstructed.

The question of what the federation should do next was answered by President De Sola, who made a strong appeal for the foundation of Canadian colonies, suggesting that another \$10,000 worth of land be purchased and subscription for this subscription for the colonies totaling \$5,000 were made.

The nominating committee suggested re-election of all the chief officers of the federation, including the president, vice-president and treasurer, and made a few slight changes on the council of 20 members.

WILSON CONGRATULATED BY KING OF ENGLAND

Gulport, Miss., Dec. 29.—Among messages of congratulation received by President Wilson on his birthday was the following from King George V:

"I want to offer you my sincere congratulations on the anniversary of your birth and trust that your health has not suffered from your arduous duties of the year."

THE BRIDGE FROM INDEPENDENCE

Armed strikers it was reported, approached the structure, carrying a can which later was found to contain coal oil.

The guards ordered the strikers to stop, and their reply was a fusillade of shots.

The mines at Radiant have been operating since the union miners since the strike began last September.

THE BRIDGE FROM INDEPENDENCE

Armed strikers it was reported, approached the structure, carrying a can which later was found to contain coal oil.

The guards ordered the strikers to stop, and their reply was a fusillade of shots.

GIVES BIRTH TO SEVEN GIRLS AT SAME TIME

Madrid, Dec. 29.—A washer woman living in one of the poor districts of the city, gave birth Saturday to seven girls, all alive. Three of them died in a short time, but the other four are thriving.

MURDERER FINDS REFUGE IN MINE RESISTING POSSE

Joined by Friends and Relatives and All Are Besieged by Officers, COLD AND STARVATION MAY DRIVE THEM OUT

Adjutant-General Ellis Will Assume Command of the Operations.

Pittville, Kentucky, Dec. 29.—The Henrickson clan of mountaineers, who sought refuge in the mine between here and Elly last Thursday, were still in hiding today, shortly before dawn last evening about 20 men were seen approaching the Knox County entrance to the mine. The guard on duty there at once gave the alarm and before assistance arrived the men in the mine had disappeared. Later yesterday morning two men were seen at the four-mile entrance, but disappeared immediately into the mine shaft.

The belief that the number of clansmen in the mine is not as great as first supposed was confirmed yesterday when George Henrickson, a cousin of Happy Jack Henrickson, and one of the men supposed to be in hiding, was arrested at the home of Messers, on what is known as Sandy Creek. George Henrickson was one of the men who engaged in the battle at the home of "Happy Jack" Henrickson when the clan was attacked by the sheriff's posse. He was wounded in the hip. He was charged with murder and shooting with intent to kill. It is believed possible that others who took part in that battle did not go to the mine. Twenty additional citizens of Pittville from backcountry have been sworn in as deputies, and with the augmented force the entrance to the mine are being guarded by four shifts of men, each working six hours.

Adjutant-General Ellis, who was called to Frankfort Saturday, is expected to return here today and take charge of the siege. The sheriff, however, is confident that the extreme cold and hunger will soon drive the clan to surrender.

The trouble started Wednesday when it is claimed "Happy Jack" Henrickson, leader of the clan, killed a man, and after reaching his home, he, with friends and relatives, engaged in a battle with a sheriff's posse. After the slaying the Henricksons fled to the mountains and were traced by bloodhounds to the abandoned mine shaft. It is said the fugitives in the mine number about 20.

John Charles Rykert Dead.

St. Catharines, Ont., Dec. 29.—John Charles Rykert, K.C., ex-M.P., the last surviving member of the first parliament of Ontario, died Saturday night. He was 82 years of age. He was the son of George Rykert and United Empire loyalist of German descent.

Again Fear Phantom Bandits.

Cannes, France, Dec. 29.—The people of the outlying districts are in a state of panic over what they believe to be the reappearance of the "phantom bandits." Saturday night a farmer was shot dead through a window as he was sitting with his family at the supper table. The previous night another farmer was shot at.

St. Catharines, Ont., Dec. 29.—John Charles Rykert, K.C., ex-M.P., the last surviving member of the first parliament of Ontario, died Saturday night. He was 82 years of age. He was the son of George Rykert and United Empire loyalist of German descent.

Let Us Ask You a Simple Question

DOES IT NOT seem reasonable that the trade would, if possible, answer or deny the claim we have made for months that "the world's finest whiskey" is W. H. McBrayer's CEDAR BROOK?

The records which we have continued to print prove its popularity—based on its higher quality and older age.

W. H. McBRAYER'S

CEDAR BROOK

"The World's Finest Whiskey"

Public demand is growing less for whiskeys bottled in bond when only 4 or 5 years aged.

And all the distillers of bottled in bond whiskeys including all largely advertised brands made in Kentucky, Maryland, Pennsylvania and all over the U. S. cannot show proof that their combined bottling of 7 to 8-year-old equalled, or even approached our record on 7 to 8-year-old W. H. McBrayer's Cedar Brook.

We have proved our statements. Most of those whiskeys are bottled in bond immediately after only 4 years old, or just within the U. S. law limit. Other Distillers can't deny that either. The U. S. Stamp on their bottles proves it. They can't get away from that stamp.

The public taste has also proved, during three generations, that Cedar Brook is the ripest, richest, finest and oldest bottled in bond whiskey in the world—whisk which has always made it the biggest seller and will continue to do so. Bar none!

7 to 8 Years Old—Bottled in Bond. At All Leading Bars, Clubs, Hotels and Restaurants

C.N.R.'S LINE FROM EDMONTON TO CALGARY ON EVE OF COMPLETION

Calgary, Dec. 29.—Engine 1250 gave a look of triumph and achievement Friday afternoon as with its wheels grinding on the new laid steel across the bridge spanning the Elbow river at Second street east it announced that another railway was hunking at the commercial gateway of the metropolis of Southern Alberta.

A second bridge, adjoining the St. Mary's church station, will have to be built. The concrete work is completed and all that is to be done is to put the steel in place. The steel is here, and the work will not require more than six or seven days to complete.

A large force of men are engaged in the work of constructing freight sheds near St. Mary's church. A few hundred feet of track will complete the road to the second bridge, and the Canadian Northern will be almost in the heart of Calgary.

It is understood that work on the depot will be commenced in the course of a couple of months. In the meantime it may be possible that the company will utilize the old church building for the housing of operating officials.

It is certain that within a very few months the Canadian Northern will be operating a regular train service into Calgary.

GEROSTITA TO BECOME PRESIDENT OF MEXICO, IS THE LATEST REPORT

Mexico City, Dec. 29.—That Enrique Gerostita, minister of justice, will become president of Mexico early in the new year and that General Huerta will take the field against the rebels who refuse to conform to this arrangement is the report that has been received with credence by some of the diplomatic representatives. Gerostita is to be named minister of foreign relations, according to the report and General Huerta will retire from the presidency to which the minister succeeds him.

It is certain that within a very few months the Canadian Northern will be operating a regular train service into Calgary.

WORLD CHAMPION SKATERS COMING TO EDMONTON

CHAMPION SKATERS OF THE WORLD APPEAR IN EDMONTON NEXT 11TH

A. W. Stevens of the Thistle rink Announces the Engagement of Edmund Lamy and Brother in Speed, Trick and Fancy Skating—Thistle Rink Now Open.

The Thistle rink on Second street will be formally opened tonight to the public. Yesterday the rink was thrown open to the public for free Sunday skating. The Thistle rink is a complete sheet of ice and is elaborately lighted. The ladies and gentlemen's dressing rooms are splendidly equipped with coffee, cake and sandwiches may be had at the refreshment booth, and if so desired, may be eaten in one of the private boxes provided for that purpose. A cloak room and public telephone are at the service of patrons. A splendid band stand has been erected to the north of the dressing room, and good music will be furnished every evening.

Mr. A. W. Stevens the proprietor, has completed arrangements for the visit to this city of Edmund Lamy, world's champion skater and his brother who is world's champion trick and fancy skater.

They will be here for a period of ten days, commencing January 11. Edmund Lamy is the present holder of the world's championship in speed skating and has held more than 20 world records in the last few years. He will appear in the rink on the 11th and 12th of January and will follow him on the 13th and 14th. Lamy has beaten Alvin Wood and Norel Hagle at all distances, and the following are some of his records: 100 yards in 22 seconds; half mile in 1 minute 36 seconds; quarter mile in 35.1 seconds; 220 yards in 17.5 seconds; 440 yards in 35.5 seconds; 880 yards in 1 minute 10 seconds; 1,760 yards in 2 minutes 10 seconds; 3,520 yards in 4 minutes 10 seconds; 7,040 yards in 8 minutes 10 seconds; 14,080 yards in 16 minutes 10 seconds; 28,160 yards in 32 minutes 10 seconds; 56,320 yards in 64 minutes 10 seconds; 112,640 yards in 128 minutes 10 seconds; 225,280 yards in 256 minutes 10 seconds; 450,560 yards in 512 minutes 10 seconds; 901,120 yards in 1,024 minutes 10 seconds; 1,802,240 yards in 2,048 minutes 10 seconds; 3,604,480 yards in 4,096 minutes 10 seconds; 7,208,960 yards in 8,192 minutes 10 seconds; 14,417,920 yards in 16,384 minutes 10 seconds; 28,835,840 yards in 32,768 minutes 10 seconds; 57,671,680 yards in 65,536 minutes 10 seconds; 115,343,360 yards in 131,072 minutes 10 seconds; 230,686,720 yards in 262,144 minutes 10 seconds; 461,373,440 yards in 524,288 minutes 10 seconds; 922,746,880 yards in 1,048,576 minutes 10 seconds; 1,845,493,760 yards in 2,097,152 minutes 10 seconds; 3,690,987,520 yards in 4,194,304 minutes 10 seconds; 7,381,975,040 yards in 8,388,608 minutes 10 seconds; 14,763,950,080 yards in 16,777,216 minutes 10 seconds; 29,527,900,160 yards in 33,554,432 minutes 10 seconds; 59,055,800,320 yards in 67,108,864 minutes 10 seconds; 118,111,600,640 yards in 134,217,728 minutes 10 seconds; 236,223,201,280 yards in 268,435,456 minutes 10 seconds; 472,446,402,560 yards in 536,870,912 minutes 10 seconds; 944,892,805,120 yards in 1,073,741,824 minutes 10 seconds; 1,889,785,610,240 yards in 2,147,483,648 minutes 10 seconds; 3,779,571,220,480 yards in 4,294,967,296 minutes 10 seconds; 7,559,142,440,960 yards in 8,589,934,592 minutes 10 seconds; 15,118,284,881,920 yards in 17,179,869,184 minutes 10 seconds; 30,236,569,763,840 yards in 34,359,738,368 minutes 10 seconds; 60,473,139,527,680 yards in 68,719,476,736 minutes 10 seconds; 120,946,279,055,360 yards in 137,438,953,472 minutes 10 seconds; 241,892,558,110,720 yards in 274,877,906,944 minutes 10 seconds; 483,785,116,221,440 yards in 549,755,813,888 minutes 10 seconds; 967,570,232,442,880 yards in 1,099,511,627,776 minutes 10 seconds; 1,935,140,464,885,760 yards in 2,199,023,255,552 minutes 10 seconds; 3,870,280,929,771,520 yards in 4,398,046,511,104 minutes 10 seconds; 7,740,561,859,543,040 yards in 8,796,093,022,208 minutes 10 seconds; 15,481,123,719,086,080 yards in 17,592,186,044,416 minutes 10 seconds; 30,962,247,438,172,160 yards in 35,184,372,088,832 minutes 10 seconds; THOUSANDS HAVE LEARNED TO LOOK FORWARD TO THIS MID-WINTER ECONOMY EVENT

THE SHOPPING PUBLIC OF EDMONTON will be of ONE MIND Tuesday morning — JOHNSTONE WALKER'S and its mid-winter Stock-taking Sale. This big semi-annual, money-saving sale, which thousands have learned to look forward to THIS SEASON promises to outstrip all other merchandising events in the annals of the city offering exceptional savings on reliable merchandise.

THE OBJECT of the sale is to clear out surplus stocks, odd lines and broken lots regardless of loss entailed, to LIGHTEN and SIMPLIFY the HUGE TASK of stock-taking. The many exceptional values which will be featured in this sale during these 10 business days will appeal powerfully to those interested in the great problem of reducing the cost of living. Today's collection of items from the various sections of the store, for opening day of the sale, will give you an idea what to expect during this sale.

ON SALE 9 A.M.

100 Pairs Women's \$2.00 Felt Boots at 95c

WOMEN will let everything slide in the way of housework, Tuesday morning in order to make sure of being here in time to secure a pair of these splendid winter boots at 95c, regularly worth \$2.00.

They are of all wool black felt in straight last style with thick felt soles and heels, with leather toe caps and facing where the wear comes the heaviest. All sizes, 3 to 8. Regularly \$2.00. Sale Price 95c

Popular DRESS GOODS at 30c Yard, Regularly 45c to 60c

IT's a get-ready-for-stocktaking Clearance of an over-stocked line of materials at a price that will bring a storm of early shopping to this section.

The two principal lines are English Viciennes and Broad-cloths in black, navy, brown, red, green or grey. 44 to 46 inches wide. Guaranteed unspotable. Regularly 45c to 60c yard. Sale Price 30c

Beautiful WOOL WAISTINGS in the Sale at Half Price

THE very fact of these materials being strictly new and fashionable this season, assures a quick clearance—to say nothing of the fact that they are half priced.

Selection includes French Delaines, Albatross and English Opera Flanneles, in a good range of wanted shades and cream, with fancy embroidered borders. Fast colorings and unshrinkable. Regularly 40c yard. Sale Price 30c

ON SALE 10 A.M.

5 Dozen Pairs Men's \$1.25 Tan Dogskin Gloves at 69c

SHOULD men happen to overlook this remarkable saving, there's very little chance of it getting by the keen eye of a woman and their husbands are sure to hear of it.

They are in the noted "Dent's" make in soft pliable dogskin in assorted shades of tan with warm wool lining, well-shaped and strong-sewn. All sizes 8 to 10. A dressy driving or walking glove. Regularly \$1.25. On sale 10 a.m. 69c

This Big Stocktaking Sale Brings About Sharp Reductions in the Women's READY-TO-WEAR Sections

IT is only during the stock taking sales that we can afford to sacrifice profits to this extent in our ready-to-wear sections. But during these sales, when we have over-stocked lines, odd sizes, broken lots, etc., to be cleared or big selling records from a previous season to meet, profits and cost price are lost sight of entirely. Hence the following price-cutting which calls for early shopping.

\$2.75 to \$3.50 French Blouses at \$1.95

Women's Flannel Blouses of all wool French flannel, in plain or striped effects in colors red, blue, grey, tan or black, in plain shirt style with soft, detachable collar and turn back cuffs, or with the new roll collar and long sleeves, trimmed with lace, buttons.
